The concert was organized by professional actor/musicians Laurie Davidson Spaner, daughter of Dr. Davidson, and her husband Craig Spaner of Portsmouth who have many years of experience performing in the Boston area as well as RI, NY, and CT. Joining Mr. and Mrs. Spaner in the group of 12 singers, 5 dancers, and 7 band members will be Kim Kekligian Stamoulis, Sara Moore, Blake Allan, Abby Moore, & Andreas Evangelatos of Portsmouth, Lily Ferreira of Middletown, Bristol native Adam Cavalieri, several Boston area professionals, & students of Stage Door Dance.

The Dr. Robert A. Davidson Charitable Fund was formed in memory of Dr. Robert A. Davidson, known to most as Bob or Dr. D., who was a Portsmouth resident and who practiced dentistry in Tiverton for 37 years. The fund is dedicated to raising money for local community causes. Bob was dedicated to his family and his community, especially children, so the organizations chosen seemed a perfect fit. Also, seven of Dr. Davidson's grandchildren attend elementary and middle school in Portsmouth, and two more will be entering the school system.
